Dear Moran,

I hope this email finds you well. I am reaching out today to share the attached letter from President Clinton to HE Ehud Barak, inviting him to attend 10th Annual Meeting of the Clinton Global Initiative (CGI) on September 21-24 in New York City. The CGI Annual Meeting officially begins on Sunday, September 21th at 6:00pm with the Clinton Global Citizen Awards, and concludes the afternoon of Wednesday, September 24th by 5:00pm with the Closing Plenary.

Through their Commitments to Action, the CGI community has continued to evolve to better meet the challenges of today, while preparing for the pressing needs of tomorrow. CGI's 2014 theme, *Reimagining Impact*, guides members in better measuring and assessing the outcomes of their work, and rethinking how we create value through new approaches to address complex global challenges going forward. For the most up-to-date information, including more detail on the theme and topics of this year's Annual Meeting, please view the attached materials and visit the [CGI 2014 Annual Meeting website](#).

Regarding the Annual Meeting schedule, the sessions listed below are ones which we highlight for participation by Heads of State and high level members of government. More information about each event is available in the attached document. We would be honored for HE Ehud Barak to join us at any of the below events in addition to the other programmed sessions during the Annual Meeting.

Sunday, September 21st

6:00pm-8:00pm | Clinton Global Citizen Awards

Monday, September 22nd

11:00am-12:00pm | Heads of State Welcome

12:00pm-1:30pm | Opening Plenary Session: Reimagining Impact

6:00pm-7:30pm | Heads of State Reception

Wednesday, September 24th

3:30pm-4:30pm | Closing Plenary Session: Aiming for the Moon and Beyond

If you are ready to confirm HE Ehud Barak's attendance and the 2014 CGI Annual Meeting, I would be more than happy to send you the registration materials. Otherwise, please let me know if you have any additional questions or if I can provide you with additional information. I look forward to hearing from you.

Warm regards,

Lauren Su
